DETAILED ACTION

This office action is in response to the amendment filed January 29, 2007.

Response to Amendment

The amendment filed on June 19, 2007 cannot be entered because it has been filed after the expiration of the period for reply set in the last Office Action mailed on August 25, 2006.

The amendment filed on January 29, 2007 is sufficient to overcome the rejections of claims 1, 2, 4-12 and 14-21. The limitations added to claims 1, 14 and 17 are sufficient to overcome the Koike (EP 1263031) and Hageman et al. references either alone or in combination.

Allowable Subject Matter

Claims 1, 2, 4-12 and 14-21 are allowed.

The following is an examiner's statement of reasons for allowance:

The primary reasons for the allowance of claims 1, 2, 4-12 and 14-16 is the inclusion therein, in combination as currently claimed, of the limitations of forming the mask layer directly on the substrate. These limitations were found in claims 1, 2, 4-12 and 14-62 and are neither disclosed nor taught by the prior art of record, alone or in combination.

The primary reasons for the allowance of claims 17-21 is the inclusion therein, in combination as currently claimed, of the limitations of forming a second mask having a plurality of windows on the first semiconductor material and depositing a second semiconductor material on the first semiconductor material through the second mask layer. These limitations were found in claims 17-21 and are neither disclosed nor taught by the prior art of record, alone or in combination.

Art Unit: 2822

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
